FOUNDATION

Give Hope a Place to Grow

The Healing Garden is located on the hospital campus. As a not-for-profit hospital, Community Memorial feels strongly that funding for the garden should not come from patient revenues. Therefore, the Foundation seeks funding for the Healing Garden by soliciting donors to underwrite associated expenses. For recognition of their kindness and generosity, the donor’s name or that of a memorial or honorarium will be displayed on pavers, walkway tiles, trees, benches or the pool surround within the Healing Garden.
